

# Stevens Canyon Road, Phase II

Construction Newsletter

September 13, 2013

## PROJECT INFORMATION

### Contractor:

- Tucci & Sons, Inc.

### Begin Construction:

- May 2012

### Completion Date:

- September 2013

### Current Work:

- Punch List Activities

### Work Schedule:

- Monday – Friday
- 7:00 am – 5:00 pm

Segment 1 striped.

## UPCOMING WORK

This week the contractor was able finish all paving. They were also able to put down the first layer of striping. The project is coming to an end quickly. Next week the contractor will be finishing punch list items and some additional riprap work near Inspiration Point. The contractor should be finished with the project by early next week.

### SAFETY

Please beware of roadwork. Follow the speed limit and expect to find roadwork.

### CLOSURES

This week parking areas may be closed for striping. On Wednesday the trail between Narada Falls and Paradise Bridge will be closed.
